Do the words "script" and "install" make the hairs rise on the back of your neck, but do you want to run one of those HOT dimesales yourself? Now you can!! Send Customers Into A Buying Frenzy ... Without The Burden Of Having To Install A Complicated Script From: Mieke Janssens & YOUR NAME Date: Monday, April 09, 2012 Hi Fellow Marketer! Pretty often, I receive mails from people who need help installing a script. I'm not such a whiz myself, but in the last year I've installed about a zillion different scripts, and I guess it's true what they say: 'Practice makes the master'. ;o) The lack of experience a lot of people have when it comes to script-installation, is something many marketers forget. I must say I'm guilty of it too. It's something typically human: once you become familiar with something, you tend to forget others are not... But that's not exactly what I wanted to talk to you about... The thing is... many useful, profit pulling tools are being released every week, many of them are scripts. Dimesales, for example, have become really popular lately. Unfortunately, most dimesale scripts are rather complicated and hard to install, even for the experienced script-installer... That's why I came up with this: 1-2-3 Dimesale is a simple tool that will change the way you do business online. It allows you to run your very own dimesale

without having to install some sort of complicated script. Let's take a short look at how a dimesale works: When you're running a dimesale, every customer that arrives at your page is presented with a ticker that increases the price automatically based on a settings you provide. The payment button refreshes on autopilot and increases your price day and night, while you can spend your valuable time doing other things. A Dimesale A dimesale allows you to raise the price of your product over time. This way you can create more demand and urgency, and as a result potential customers A dimesale is a very effective marketing method ANYONE can use... With this software tool you can have your very own dimesale online in three simple steps\*: Answer some questions about your sale. Paste the generated code in your sales page. Upload your sales website and start selling. Screenshots: Creating a MySQL database? Editing complicated PHP-code? !!!NOT ANYMORE!!! If you can copy & paste, you can run a 1-2-3 dimesale Note: With this software you will be able to create your dimesale and payment button code.
