

Bible Myths (ebook) - T.w. Doane

In pursuing the study of the Bible Myths, facts pertaining thereto, in a condensed form, seemed to be greatly needed, and nowhere to be found. Widely scattered through hundreds of ancient and modern volumes, most of the contents of this book may indeed be found; but any previous attempt to trace exclusively the myths and legends of the Old and New Testament to their origin, published as a separate work, is not known to the writer of this. Many able writers have shown our so-called Sacred Scriptures to be unhistorical, and have pronounced them largely legendary, but have there left the matter, evidently aware of the great extent of the subject lying beyond.
