If you have been through the Big Players List Building Secret report, then you already have a really good idea of how to make your affiliates your associates or partners in business and allow them to build huge lists for you and reward them in the process, not just once, but for a *lifetime.* In Big Players List Building Secret, we talked about using AutoResponse Plus (or any other mailing script or service that allows you to put custom tags in your message) for building your list by allowing your affiliates to promote your list to pre-sell your products and get commissions for a lifetime on whatever products you release. But, if you are running on a tight budget or you are just starting out with your online business and dont want to invest huge amounts (by the way, investing in a good mailing solution is a must for your online business, after all Money is in the LIST) or just want to see whether this technique actually works or not, then I have got 2 free services that will allow you to test the water! You've purchased this product with full Master Resale and Redistribution Rights. More The Best Products with PLR or MRR at lucky7.tradebit.com Tags: mrr
