exactly what you will learn. NOTE: The song is not played in the tutorial video you download. Music cannot be played in a tutorial unless it is ROYALTY FREE beats or it is a cover version as the dance instructor does not own the copyright in the SOUND RECORDING. Dont worry it is VERY CLEAR how the dance fits to the song as Yolanda instructs to lyrics as well as counts. As a professional singer/songwriter herself Yolanda respects the copyright in music and also encourages students to download from paid sites like iTunes, so that the songwriters and artists get paid and can continue to make great music.
