Increase Your Online Sales... Maximise Your Newsletter Subscribers... and Triple Your Affiliate Link Clicks Instantly! Magic Button - The Lazy Mans Way To Internet Marketing Success Dear Internet Marketer, I have absolutely no idea about what youre selling or promoting online. . . . It could be ebooks, software programs, memberships, your newsletter or an affiliate program. Whatever it is I will guarantee you one thing. If you use Magic Button software on your site youll sell more of it, youll get more clickthroughs and youll generate more sign ups than youve ever done before. Would you like the power to practically force your web sites visitors into clicking the links or visiting the pages you wanted them to. Can you imagine just how much additional revenue you could generate? Getting clickthroughs to the links that matter is what every web site owner needs to generate income online. Well That Power is Yours! With Magic Button you can wield that power in just three mouse clicks. Okay right now you may be wondering what the hecks a Magic Button and what does Magic Button software actually do. Magic Button allows you to generate highly customisable, attention grabbing and unblockable links. Text or images or both - you choose. . . . You can see an example on this page promoting my newsletter. It

hasnt been blocked like a PopUp and its not In Yer Face annoying like on of those floating ads. (Dont you just close them down anyway?) ++ reseller ad your own created code to this page to send people to your newsletter - the original example code has been removed. The Magic Button simply follows you down the page, but you can make them move, you can change the position on the screen and you can use different images in a whole range of different sizes. The more eye catching, hypnotic, tempting your offer (however you want to call it) the more itll be clicked. You can use it for absolutely any link you like - what if I was to make this an order link - The moment a prospect had got to the point in my sales copy and is ready to order - the order now button is at hand. Here are just a few of the many successful uses for Magic Button: If you promote an affiliate program you need people to click your links and visit the affiliate site so that you earn commissions. If you run a newsletter or eZine you need people to sign up for it and preferably with their primary email address. If you offer free ebooks or ecourses you need visitors to download them. If you sell your own products your aim is to get people to click through to your order page the moment theyre sold on your product. It goes without saying - to do any of these things requires some level of experience. You need a good presentation, your web site must look professional, you need enticing sales copy and you must command action. . . . But what if you could acheive similar results in just three or four mouse clicks? Once you own Magic Button, youll have the ability to get visitors clicking the links you want them to - when you want them to. Because youll have the power to convert your traffic far better youll be spending less time doing the tasks you hate and more time concentrating on your business and your products. Just picture yourself not having to spend hours each week buried in search engine promotion, traffic exchanges, and banner advertising. Youll can be making more money because youll be spending less time driving traffic to your web site in the hope that out of the thousands coming only 0.01 actually buy anything from your affiliate links. Why You Need Magic Button . . . . If your serious about Internet Marketing you need the best tools to do the job properly. If you have a Sales Letter, direct response style web site (like this one) then Magic Button is the perfect solution for you. You can quickly generate attention grabbing, moving buttons or simple fixed text messages such as Order Now! Whatever is the most important link on your page, use Magic Button to make sure it gets clicked. Now the real beauty is that Magic Button cant be closed down by your visitor and unlike a PopUp it CANNOT be blocked. You can use your Magic Button to open a new window or even send you an email - the potential uses are limited only by your imagination. What Magic Button does is act like an attentive store assistant, not in

your face like a PopUp window, not buzzing around the screen like one of those flying windows - but always close at hand ready to assist your visitor when the time is right. Dont let visitors hunt for your most important links, your order link, your subscribe link or your affiliate links - capture their interest, stir their imagination and make them click. Magic Button makes this easy. Maybe you sell a niche product and there simply arent thousands of people you can target. You need to ensure that you gain maximum value from every visitor Maybe you promote a high profile affiliate product along with hundreds of others - You need visitors to click YOUR link and not your competitors. (Note: Magic Button also cloaks your affiliate links automatically!) The simple truth is - to give your business an immediate boost you must convert the traffic youre getting now better! And Thats What Magic Button Does! It doesnt matter what you sell. It doesnt matter who your customers are. And it doesnt matter what the key purpose of your site is. If you want to: Sell More Products. Generate More Downloads of Your Reports and Ebooks. Generate More Subscribers to Your Newsletter. Generate Clickthroughs to Your Affiliate Promotions. Ensure Visitors Contact You for Additional Information. You need Magic Button Magic Button is fully customisable: Use it to open your links in a new window. Use it to open your links in the same window. Over 150 professionally made button templates. Create and use your own images. (even animated .gifs) Use images of different sizes. Insert any text you choose below the button. Have the image link to one page and the text to another. Have a static or moving image or link. Put the button on the left or on the right of your page. Link to the order page, subscribe page or affiliate link. Use it to open your visitors email program to mail you. Use it to start an immediate download of your product(s).
