

# Mp3 Afterthoughts - Easy Listening: Background Music

[DOWNLOAD HERE](#)

Romantic piano music set to smooth grooves. This relaxing, mood music is perfect for romance, dinner, and quiet background music. 10 MP3 Songs EASY LISTENING: Background Music, EASY LISTENING: Mood Music Details: Some online reviews (so far) We love your music, especially the first track Waterfalls, the melody is beautiful. Your music has detail in the right place, and is not too busy. It's very relaxing. Thanks for your good work! A Cup of Music Internet Radio acupofmusic.com I simply loved the songs, "From the First Kiss" and "When It's Over". I would like to play your music on my radio station...Thank you! Kindly, Douglas Newsom Co-Founder CEO BBSRadio.com NOTE: Please listen to Mp3's in "HI-FI" if possible, or go to romanticpianomusicfor closest representation of the CD's sound quality. This is so relaxing, it's nice to listen to, sit back and relax.... Mixposure.com Most enjoying sounds emanate forth from the piano.... Mixposure.com It is difficult to feel anything other than "smile".... Mixposure.com Soulful sounds to sooth a weary heart.....it is just what the doctor ordered! I do love this album. Florence L., Lakewood CA Your music is truly beautiful. It calms and consoles, as well as lifts and inspires the heart... Christina Pitt, Ashtabula OH NOTE: Please listen to Mp3's in "HI-FI" if possible, or go to romanticpianomusicfor closest representation of the CD's sound quality. If you enjoy Love Music, Piano Music, Romantic Dinner Music, Relaxing music, than this Cd is for you.
