

## Mp3 Albrecht's Pencil - Extended Play

[DOWNLOAD HERE](#)

Indie Folk/Rock with intricate guitar work and close vocal harmonies, carefully concocted by Northern Irish duo Albrecht's Pencil. 5 MP3 Songs FOLK: Alternative Folk, ROCK: Acoustic Details:

Independent-folk/rock oddities Albrechts Pencil commenced their bid for global supremacy in the spring of 2007, after a chance collision in the music department of Queens University Belfast. A heady collage of (amongst other things) intricate guitar work, epic larynx abuse and unexpected brazilian instruments, their maverick music draws from diverse sources while remaining thoroughly un-pigeonholeable (naturally!).

Their debut disc 'Extended Play' was recorded with Liam Craig in the McMordie Hall, Belfast in February 2008 and represents just a fraction of the duo's back catalogue. Showcasing 5 of their most popular tracks, this CD is the perfect introduction to a band on the verge of, well, on a large and verdant grassy verge full of musical mysteries... People who are interested in Simon Garfunkel Bright Eyes Turin Brakes should consider this download.
