Easy listening instrumental compositions various moods/calypso/reggae/R&b,etc/ designed for your every mood. 13 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Ambient Details: I was born in the Caribbean on the Island of Grenada. My career in music began when I played the guitar in the neighborhood band Rhythm Riders. I studied piano and subsequently the keyboard became my favorite instrument. I migrated to the United States and lived in New York where I still reside. I continued to play music with Caribbean and American Groups, while playing with the different groups I assisted with writing and arranging. I played with the group Southroad Connections we did one album for Mahogany Records, then we were signed to United Artist Records for which we did two albums. The group eventually parted, but my love for music remained steadfast I continued to write, setting up my own studio and recorded my compositions. Moods Grooves (2) are all instrumental compositions of various flavors the CD is designed to match the listener's every mood.
