

Mp3 Erica Rose - Shadow

[DOWNLOAD HERE](#)

Passionate and soaring vocals accompanied by bluesy, folk rock...sometimes dark and sometimes sweet this beautifully crafted music will send chills down your spine. 10 MP3 Songs FOLK: Modern Folk, ROCK:

Acoustic Details: "Erica and her songs are reminiscent of some of the greatest acts of our time. Think Joan Baez with a little more soul... think Grace Slick with a little more folk. Great musicianship all around!"
