Inspiring worship music with a rock feel and bible based lyrics. 13 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: Biography for FOUND Found are a six piece gospel band from Johannesburg, South Africa. The band recorded their debut album Eternity in the third quarter of 2005 at Spaghetti media recording studios in Johannesburg. The album was then mastered by award winning engineer Michael Fossenkemper at Turtlestone studios in New York. The result is an original worship album that sounds like no other. The band are passionate about writing lyrics that are purely scriptural. They believe that worship is more than just a musical experience, and to that end they seek to inspire the congregations that they worship with to do good works. In order to facilitate this, the band has aligned itself with several non-profit organisations, and the members of the band itself seek to involve themselves with the organisations that they promote. The band is: Andrew Lester - Vocals, Bass Andrew Crole - Vocals, Acoustic Pieter De Wet - Guitar Gareth Tomlinson - Keys Ross Lester - Drums Ryan Paul - Sound Engineer
