

Mp3 Gary Jess - Mount St. Helen's

[DOWNLOAD HERE](#)

Gary Jess' musical interpretation of the healing of Mt. St. Helens will leave you breathless. Take a journey with your imagination as you immerse yourself in the beauty of one of America's mightiest mountains.

Quiet reflection swells to awe as the volcano 12 MP3 Songs EASY LISTENING: Mood Music, EASY LISTENING: Background Music Details: Born in Spokane Washington, Gary's musical talents began at the age of six when he formally studied classical piano at the DeCroff Studios. By the age of nine, he added woodwinds to his talents performing in several orchestras and jazz lab bands. His compositions have received several awards from American Society of Composers, Authors and Publishers and his music has been heard on The Travel Channel, the feature film "Rivers I Have Known" and many regional ads. In 1997, Steinway Sons named Gary Jess to its worldwide artist roster. Included on the Steinway Artist roster have been such immortals as Irving Berlin, Duke Ellington, George Gershwin, Vladimir Horowitz, Ignace Paderewski, Cole Porter, and Sergel Rachmaninoff. Today's Steinway Artists includes the leading stars such as Billy Joel, George Winston, Van Cliburn, Herbie Hancock, Peter Nero, Roger Williams, Vladimir Ashkenazy, Daniel Barenbolm and Maurizio Pollini.
