folk rock 12 MP3 Songs FOLK: Folk Blues, ROCK: Folk Rock Details: Hi, my name is John E. Lodestein, im currently living in Castro Valley CA. i play harmonica and guitar, ive written over 150 songs, and constantly thinking up more tunes, and hopefully maybe one day, one will make the charts, i am really excited about my new album, i worked really hard on it, my next one should be out by the first of the year, if not earlier... My producer Terry Scott, who playd with the Gap Band through the 90's, really helped with the sounds you hear in my music. i hope everyone finds my music to be some easy listening, and comforting, this is what i do, no matter if i go anywhere with my music or not, it's still fun for me, so if you like what you hear, you can message me on my page or my e-mail at: jelmusic100@yahoo.com, for more info... i should have a website in the near future,my myspace url is myspace.com/johnel32. so keep and ear open for John E. L. and PEACE TO ALL!!!!
