Self-reflecting Hip Hop with an Old School twinge. Raw production, roughneck bounce, striving producer looking for support. 10 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Alternative Hip Hop Details: Libra times II Part II of the Libra season, Negroes recognize, everybody peep game. The Pockets Get Bigger - find a way to stack your cash. Old School beat with cuts and scratches like we used to get down back in the day. Momentum - ever notice right when things are about to be all good some hater breaks the momentum. Whether it be with the girl you spitting game at , or the party energy, or just getting your life together. Know that if you ever get enough momentum going you can do all. Boat - This song stands for "best of all time" - I wanted to make a song or songs that will transcend time. Sales Tax - Was gonna be another alias of mine, but my friends laughed at me so hard that I just made one single and gave up on this alias as an artist for now. You get the concept, everybody is paying sales tax.... Do It - Partnering with Telo of FearMyMuzic Entertainment we come up with this funny storied song do it. Reflecting parties we used to throw at the no longer existing Qcafe in Palo Alto. Wishing Well - A song inspired by Kristina Sablan, who no longer is my friend ... sniffle sniffle. But anyway she was doing the coffee shop circuit in those days and my friend Ken put money in her basket to get good luck. Sheeee, at the time I needed good charma too. So I threw what I could in the basket and went home and wrote this song. Big Shot II - The radio station KMEL in the Bay Area used to have this Bay Area Big Shot song contest. Before I found out it was rigged this was the song I was gonna submit. Mad World - This is just some classic J. Brown ish. Just seems like my experimental deviate from the norm type of song I would make and enjoy. Uptempo, weird sounds, not the most accessible. Hit Man, Rich D. brings his finest and funniest lyrics on this track. He actually works well with this beat. His girlfriend is a hitman. (If you know his girlfriend she very well could be...ha ha) Family Resolution - This is my community service track. It features Reall and

Cash (now goes by Collect). I wanted them to write a song about family and I gave them this beat. I recorded the vocals at OTR with Cookie Marengo. She is good charma and knows what she is doing. I also recorded some of Bass Creator Original at this studo 20 years before. So in 20 years FR will be worth 150 times what it is worth today. Peep Game!
