

Mp3 Kern Ramble - Welcome To Nashville

[DOWNLOAD HERE](#)

Alt-Country-60s-Rock with elements of 30s Jazz/Blues. Music that is intricate and simple, dark and whimsical. 13 MP3 Songs POP: Quirky, FOLK: Folk Pop Details: Working out of an alt-country tradition of mixing musical styles, Kern Ramble creates a unique mix of country and jazz, while blending elements of rock and folk. His music is catchy and melodic and his lyrics are intelligent and funny. His songs tell stories. By incorporating tales of history, both his own and the world's, he takes the listener on a journey. Whether describing the free-wheeling spirit of Bonnie and Clyde or singing a toast to an elusive love, Kern Ramble explores darker themes, but always includes a playfulness and a unique sense of humor. Kern Ramble is based in Austin, Texas. The Welcome to Nashville album was written in fond tribute to the city and to country music and was re-recorded in 2003. All songs are written and performed solely by Kern Ramble and recorded in his home studio.
