

Mp3 Killerfernandez - Feitaboogie

[DOWNLOAD HERE](#)

A bitter-sweet blend of Urban Soul and Downtempo Electronica, their debut album 'Feitaboogie' sees London-based Killerfernandez merge beautifully orchestrated songs with funky bass-riffs and ambient soundscapes. 12 MP3 Songs in this album (54:08) ! Related styles: URBAN/R&B: Urban, ELECTRONIC: Ambient People who are interested in Massive Attack Air The Cinematic Orchestra should consider this download. Details: Killerfernandez: Londons latest message to Urban Soul Ambient Electronica lovers. Jennifer Johns powerful vocals (vocal instructor in Damon Albarns Monkey Journey To West / founder Sense Of Sound Choir, from BBCs Last Choir Standing) meet the sublime textures of musical mastermind and bassist Philipp M Moll. Guitar virtuoso Randall Breneman, UK beatbox celebrity Bellatrix and hang-guru Manu Delago on drums complete the line-up, amongst others. Produced by Rune Langhelle in Bergen, Norway, the album has been two years in the making and is accompanied by the video Sleepwalker produced by Astronaut Film (director Michael Kaltenhauser), released on youtube.
