

Mp3 Kjv Presents - The Cat Took My Balls

A delightful little ditty about a cat and my balls. 5 MP3 Songs URBAN/R&B: R&B Pop Crossover, HIP HOP/RAP: Rap Details: This is a cute little song I wrote one day when it was apparent that my cat ran off with my balls. We have 4 cats in our home. So I'm not exactly sure which cat likes my balls so much - but we know it's the cats. We saw some of the cat scratches on my balls once and knew it could have only come from one of the cats (hence "cat scratches"). This CD Single includes the original version of "The Cat Took My Balls", as well as a few hot remixes. And, as a bonus track...the original version of "Fart In An Elevator" for your listening pleasure. And if all that wasn't enough to get your motor racing - for those of you who purchase this CD Single, there is a sixth "hidden" bonus track on the CD. Can't tell you what it is - that would ruin the surprise. But it is also a track that is scheduled to appear on the soon-to-be-released full CD (I finally figured out the title, but I can't tell you or it would ruin the surprise!) I hope you enjoy the CD Single and look forward to the upcoming album. Kam
