An eclectic group of songs that has an adult, child-within-you style that makes you want more. 12 MP3 Songs POP: Today's Top 40, COUNTRY: Country Rock Details: Lisa Shea is originally from the Midwest, but has made Southern California her home. This CD is a compilation of songs written by her and Tom Hollenbaugh, except for "Love me Tender" and "All I have to do is dream." This album took a year to write and record. As you will hear, there is no compression to the music, it's intended to hit you right in the ear, right through to your soul.
