"Dove" features members of The Seattle Symphony and was mixed at world renowned Abbey Road Studios in London by head engineer Peter Cobbin. Talented musicians such as Martin Tillman (Jewel), Phil Parlapiano (John Prine), and Gabe Witcher (The Wild Colonials) join Lisbeth on this stellar recording. Lisbeth has toured extensively as a solo artist, accompanying herself on keyboards, guitars, and African Djembe. She has performed live on numerous television and radio programs and been the subject of an exclusive CNN interview on up and coming artists.
