A new age masterpiece, think Enya, Yanni, now forget them and think Livingston Raymond for an easy listening experience. 10 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Details: Livingston Raymond is a bit of a mystery. He lives in Los Angeles and works only with producer Dan Jenks. His New Age background is a product of his travels throughout this amazing planet, building his spirit and filling his soul with each adventure. "Ray of Life" is the culmination of his ten year journey and, although he plans a follow up album, he is physically exhausted from the recording of "Ray of Life" and is on hiatus somewhere on a private island off the coast of Hawaii, which, by the way, is where he got his inspiration for his New Age hit, "Soft Rain in Connecticut".
