This seven song Ep is an open hand slap in the face to industry cats that act like they don't wanna hear us... They will. 7 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: This seven song demo Slap the industry will soon become a classic hip hop collectors item. The two members of Local Boy: Sin originally from Oakland Cali and L from Lake Charles Louisiana come together to form a sick minded, but lyrical duo taking ears through a journey of struggle, and obstacles facing them head on through battle. And we don't always win. We speak the the truth. If you want to hear about 24's and killing for no reason that's not us. "Remain calm" is a song where physically takeover the radio stations to get heard. "CEO Drama" attacks figures in the industry such as Puff and Suge indiscriminately, saying just about anything to get heard, but from a true perspective. "They're gonna laugh" is song where we are talking about our self with unencouraging words hoping for own downfall. "Local Boy Anthem" describes how people can stop your dream before it starts. Listen to the words and ride with the beats. Local Boy is not your average rappers following the traffic of that watered down bullmake. Don't get Slapped cause our music will hit your ears soon.
