instead of a prediction I don't care you can ring all day I won't pick it up babe, Everybody knows I am your
slave. Oh you could of been my boyfriend. You know that either way I'm gonna be ok I'm not dying I'm still
trying to keep the faith, you say hey why you play that game. Mmm you could of been my girlfriend. But

I'm different but you can't admit, your smitten and your not honest about it yet, But it's ok you don't know what you want and that's ok, use me and abuse me and toil and play and you'll win and some strangers going to get me in bed you know with him. Oh well, you could have been my boyfriend. Now that you've won now that you've seen the sun, your eyes are blind, I'm not left behind, I'm in love and that's ok with me. You're gonna be my boyfriend, I'm going to be your girlfriend mhm I'll still marry you I don't look that bitch on the magazine, I don't look like a movie queen, I've got flaws all over my body and I still fucking love myself so watch out. I'll still marry you. Your hair keeps falling out, your skin cells grow every second and we're all getting older we're going to die soon. But I'll still marry you. Life is not perfect, life is beautiful, oh I love the flaw. I'm in love with your flaw and if I fuck up on this recording I'm not going to record over it! Cuz I'll still marry you! LOVE THE FLAW! Breakthrough I am here, just for you, no one else can get through, oh breakthrough. BREAKTHROUGH! I hear you you don't speak at all, oh I can hear you through this wall. Oh Breakthrough BREAKTHROUGH! I will breakthrough, no one else will get through, I gotta breakthrough even if it takes years. Got a dollar, two towers got a question, not the hours, oh! Breakthrough! BREAKTHROUGH! Money in your pocket can't buy you love. Get your attention This is my song to you, I know my Grandpa would've wanted me to tell you. I love you more than the sea more than the sky blue! I'll do anything to get your attention. I was embarrassed to tell you, I was acting so cool, I'm sorry if I kissed another guy in front of you. I was just trying to get your attention. Like a child I want your approval, oh will you ever forgive me, It was so childish of me, I just want your love. Get your attention! Oh I can't force it, So I was just trying to divorce it, this time I got your attention, oh just a little affection, oh you look in my direction, looking for a little attention. Ah tension. Fear of rejection In the sea of empty, you and me and nothing. Fear of rejection. Something is better than nothing, so I wait and hope and pray for something, oh fear of rejection. Sometimes you will love me as a child who loves a star completely and utterly you will love me. It could be that you're afraid, Every time you go the wrong way. Oh fear of rejection, no fear of rejection. No more fear of rejection! You never know when a player's playing you, can you be true. Can you be true. Can you be true. Again Oh again, I'm falling for you. When I get away, you'll stay stay stay! But you don't give me anything, you just want to take everything, what can I do I'm so in love with you I know that every song talks about it and in the end we'll all be dead and this is my memory of you you take and yes you take and then you take till there's nothing left of me but hey! What is life for anyway, but to love. Love. Love. Love. So go ahead babe take everything you want, take it all away, take

my memories, take my dreams, take my dignity and self esteem, take my youth, take my time, take my good looks take it and then youll find Love, Love is the only thing. Its the only thing. Love, Love, Love. Ohwell Sometimes in the night I think about what were gonna do no one knows my love I think about what Im going through, feels like everyone has hostile degrees, oh what will we do when we all go to sleep. My heart feels like a dead drum in the night, beating like my heart is in such fright, but Im going to keep my mind on you. cuz its the only thing I want to do, feel like Im going to hell. But ohwell, ohwell, ohwell. Gotta keep the soul clean, never mind the mad machine. Gotta keep my soul clean, never mind the mad machine. Sigh You sting my mind and I still feel a dangerous respect lingering behind, I know I know youre a king, and all and everything wants to sit by your side. Who am I, I cant deny you make me sigh You deserve the world, you deserve a beautiful girl, with golden legs and pretty face not marked with disgrace, oh the things I did before I thought I was so brave, but Im embarrassed of my knowledge, of all the demon whores. Whats more is I adore you, you just make me sigh. Sigh. Your purity and your reserve is better me, who am I, to love a guy so true, so perfect like you, I think I dont deseve you, you deserve better than me. I adore you. I adore, I adore, I adore. Come Mortified to tell the truth, of a love so blue and true, neither one of us can hold the beauty of the soul, the beauty of world, we are so young but who is it that will come. We need no other lover my son. Come to me come. But we seek every other, we dont want to be caught, we dont want to be sought, so we go for the ones so easy on the eyes, so easy on the thighs, so easy on the mind. Come to me, come lover. Variety Addicted to Change So they say things change. Nobody know how or why. Addicted to change. I got a feeling nobodys feeling, Ive got some strange things to say. Im addicted to change.
