Dreamy, impressionistic singer/songwriter folk with intricate guitar, luscious harmonies, and built on great writing. 10 MP3 Songs FOLK: Gentle, FOLK: Modern Folk Details: Paul Kamm Eleanore MacDonald have been performing Original Contemporary Folk Music together for 20 years. Their music, a blend of contemporary and traditional styles, is graced by their exquisite harmony, compelling songwriting, deceptively simple arrangements and intricate guitar work. Both Paul Eleanore have "sure and graceful voices but oh, when they meld it's one of those majestic, sinfully rich pleasures-- like a musical S'more..." (Dirty Linen Mag. #40) "Soaring harmonies delivering a powerful and empowering message ... and lots of fun to boot!" Anne Feeney "Paul and Eleanore are... two fine voices from the West that deserve a wider audience." Utah Phillips "I once heard Paul Kamm and Eleanore MacDonald at 4:30 in the morning and was sure I must have been dreaming, I pulled them aside the next day and made them sing again to prove it wasn't a mirage, and they are for real, GREAT writing and harmonies that can fuse your spine..."
