

Mp3 Plid - Dream Logic

[DOWNLOAD HERE](#)

An electrolicious synth-gasm. 14 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Dance Details: 'dream logic' is PLID's first full-length CD. It is a continuation and expansion of their 2005 EP "fast machines" currently going slowly out of print at a concert venue near you. 14 trax of electrolicious synth-gasms have been created and manipulated for maximum pleasure. Whether you're in the mood to dance, or feeling nostalgic, "dream logic" is here for YOU. PLID is a combination of three minds making hook-driven electronic body music for your listening and dancing pleasure. Based out of Houston, TX. PLID are currently adding shows to support "dream logic." Check their website to see if they'll be in your area soon!
