

Mp3 Sukey Molloy - Circle Songs With Sukey Molloy

[DOWNLOAD HERE](#)

A beautifully arranged collection of children's songs, chants and movement activities to enhance playing, moving and singing with joy. Activity songbook included. 20 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: Sukey Molloy is a developmental movement educator, and performing artist of children's music, movement and song. She is the founder of PlayMove&Sing and the Developmental PlaySkills program located in Nyack, NY. She has been creating and teaching movement programs for children since 1985, and performs in early childhood settings in the New York, New Jersey, Connecticut tri-state area. Sukey gives teacher training workshops for early childhood educators, teaches mommy me and pre-school classes for infants, toddlers and early childhood learners in movement song and play, and teaches a course in sensory-motor learning for classroom educators at Rockland Community College. She is certified with the IAIM to teach classes in guided infant touch, and received her developmental movement training with Dr. Garland O'Quinn, Jr., of the Association for Kinesensory Teaching. Sukey draws from her former career as a professional modern dancer with the Solomon's Company Dance in NYC, and as a performing vocalist with several chant and choral groups. She is currently working on a second children's music CD, and is planning to produce a PlayMove&Sing and PlaySkills movement, song and playtime DVD! Visit Sukey Molloy at playmovesing.com. Winner! The 2006 Children's Music Web Award! Best Recording for Babies and Toddlers Best Song For Babies and Toddlers: "My Boat" childrensmusic.org "Twenty gentle songs and sing-alongs with beautiful arrangements that perfectly support Molloy's silky accessible voices." John Wood, [Kidzmusic.com](http://kidzmusic.com) Winner! The 2006 Parent to Parent Adding Wisdom Award! Review: "Our Family Testers found Circle Songs with Sukey Molloy to be a delightful and fun filled collection of children's songs. The kids really love it as they sing along, chant, move or dance to the beautifully arranged

collection. They also love the activity songbook that is actually included-a true treasure." Jodie Lynn, syndicated parenting/health expert, Parent to Parent, CEO/founder of AddingWisdomAward.com
