Infectious pop music, very fun. 10 MP3 Songs POP: Power Pop, POP: Party Pop Details: New York City Natives, The Drakes, were recently filmed by VH-1 for a program on up and coming bands. VH-1 interviewed the band in various locations and captured the band performing live in NYC. VH-1 also scheduled filming at a city-wide event for Sopranos star James Gandolfini in upstate New York. The Drakes made several on-air appearances at commercial radio stations in the South and Northeast, including Q108 of Clarksville/Nashville, Tennessee, WLIR on Long Island, NY and WFNX, which is simulcast from Boston throughout New England. There was a tremendous listener response to their CD and live performances. On the television front, The Drakes scored the music for a BBC program on fashion shows in LA, which will be airing as "The Good, The Bad The Ugly" on Discovery's Learning Channel. In addition, The Drakes were the only indie band to be featured on the Apple Computer QuickTime Hot Picks Page with the first interactive music video, DRAKESTV. For months, the site attracted over a million visitors a day. The Drakes recently appeared at the International Pop Overthrow festival in Chicago this past spring. This fall, they are launching a massive radio/live show campaign with their new record in upstate New York, where they are currently receiving daily airplay thanks to the Banjo Radio Group.
