a electric smooth style with a soulful street point of view. the voice of the people.aint afraid to say anything. speaks from the heart for real. 16 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: TRE JONES BIO "I was born in the West but my family is from the country." West Coast made but his hisotry comes from the Bayou. Louisiana lyrical genius. An electric mixture of bounce, crunk, and hyphy music, but still knows how to get the woman's part tingling. Resides out of the west coast now where he's studying Bay Area's own hyphy music. What he calls the south/west connect. He started doing music at a young age being a roady for the "Young Black Brotha/Link Crew," Cali's own Mac Dre, Ray Luv, Mac Mall, and Young Lay. He stepped up his game in year 2000 and finally received respect from his peers and elders which started him on his next chapter. Tre Jones finished his first mix tape, "Finals 2004" and in the same year did a group album, "New Breed," which got the Town talking and wanted to hear more of Tre Jones. He went to work on his solo career. In 2005 while working Union Carpentry work, he stared his own record label, "Longevity Records" and got started on his solo album. While working on his album, his family was weighing heavenly on his mind and heart. He lost his grandfather uncle to heartproblems, so it just seemed right to dedicate the ablum to his family "HeartProblems" DON'T GET it WRONG JUST LIKE THE SOUTH HE'S CELEBRATING THE HOMECOMING. FELLOWSHIP: Tre Jones has worked with artist all over the world. The likes of Ant D.O.G., Turf Talk, Mistah Fab, Tripple X, J. Pigg, Cavity, Bo Thizzle, Sterotype, Driznity.DID Shows with the likes of, Andre Nickatina, E-40, Mossy, Young D-Boyz, Conclusion, MC Hammer. Tre Jones knows where he comes from and knows where he's trying to get to. He's a grounded all around gentelman with fire in his heart. Keep your eyes on the look out for Tre Jones, he's an upcoming artist with a magicnetic personailty. He's your brother by a different mother!
