reggaeton directly from the best and most famous artists hailing from its birthplace in Panama, with opening accapella by Yami Bolo. 21 MP3 Songs LATIN: Latin Rap, URBAN/R&B: R&B Rap mix Details: Reggaeton Vol.1 Conquering Lion Soundz Group has the future of reggaeton music on lock. This is a brash and bold statement...that we can firmly back up. The world, including the U.S. major label music industry, has discovered that Panama is the origin of reggaeton music. And with this said Conquering Lion Soundz has joined forces with Perfection Records to bring these Artists to a Global market! Over 30 of the biggest and best known names in reggaeton music from Panama are contracted artists and producers on the label Conquering Lion Soundz Group. With 4 plus years of massive radio and video rotation, CLSG has taken and maintained more than a lion's share of broadcast in Panama and Central America. These "spins" are increasing as you read this. Conquering Lion Soundz Group's artist and producer roster reads like a who's who of Panamanian Central American reggaeton music. CLSG creative partner DJ FULO, is a legendary reggaeton producer/songwriter. CLSG is owned and operated by OWEN who's born and raised in California. Owen brought his years of experience in the U.S. music business to Panama, and quite literally took over. CLSG operates strictly under regular professional music business practices. A legal team, contracts, and artists being paid for their work was unheard of in Panama, until CLSG came to town. CLSG has changed the name of the game when it comes to the music business in Panama. Long thought of as more than difficult to do business in, Panama is now under the close watch guard of CLSG. CLSG now has an unprecedented reputation in Panama as "the real thing" when it comes to record labels and entertainment companies. It's good to know that doing business with CLSG is by far the most fair, honest and reliable music opportunity in all of Panama. Not to mention, the only game in town.
