Related styles: URBAN/R&B: R&B Pop Crossover, POP: Today's Top 40 Details: Venise, also known as Ms. R&B, is a driven, independent solo artist raised in Washington, D.C. This dedicated songwriter and performer overcame, using her trials and adversities to fuel her music ambitions. She is a talented songwriter, vocalist and performer with all the ambition it takes not only to succeed in the industry but to take over it! In January of last year she released three singles all written, performed and co-produced by her. Then, in July she independently dropped an underground mixed c.d., all written and arranged by her; one of the first mixed cds to ever derive from a female R&B artist. She proves her independence by not only writing and recording her own lyrics but background vocals as well. Working on her second mixed cd to be released summer 2008 along with her new album to hit early 2009, Venise is a powerhouse; releasing hot new singles like Driftin' and many more! With admiration to advance in the music industry, she continues to awe her audiences with her strong voice, empowering lyrics and confident stage presence..... so you ask.... Who is Venise?..... She is the new voice of R&B!
