A blend of Rapping styles with a Swiss hallmark. Indiscreet and raw and to point. 7 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: The waiting has come to an End. The long awaited Debut-EP from the Sissach, CH based band VERBALISATION can finally end the circle 'chinese whispers'. The EP titled "Cha, iischlof" compiled by the Sissachers very cleverly and also varied sounds that makes your ears go hard. The actual release-date at the moment is very strained unfortunately, but you can get a sample right now
