

Mp3 Wendie's Words - Realities, Trends, And Bridges

[DOWNLOAD HERE](#)

"A fine example of beauty and sadness, and a much needed enlightenment to a public dying for realness and quality. Scott Stamper 12 MP3 Songs SPOKEN WORD: With Music Details: Wendies Words is a vehicle of multi-genre music transporting spoken word into a lyrical Ferris wheel. Multifaceted styles, tempos, and compositions propel poetry within a musical labyrinth expressing unique nuances. "Like a beat generation caught in a new millennium time-warp" myspace user ER. During the fall of 2003, Wendies Words began to intrigue the music industry. Playing shows from Northern Jersey to Asbury Park, NY to Savannah and Shreveport. Imagine people line dancing to blues poetry. Late 2005 Wendies Words went into their own studio and Realities, Trends, and Bridges was born. With unique ideas in every arena of their business, 2007 finds even more folks around the globe wondering about Wendies Words. During solo past performances in 2002 and 2003, Wendie(then Wells, now Goetz)had incorporated free-form musical accompaniment supplied by various guest musicians and she developed a free-form style that was dubbed a cross between Rod McKuen and John Sinclair. Now the performances mix tradition and beat essence combined with modern and folk rock music. In years traveling, before I met Dan and Rob, I experimented and only identified a formula; Rob made the formula happen, poem by poem into a fresh, real songwriting technique Wendie Goetz says. Rob Goetz, guitarist and musical composer writes and arranges the music that accompanies poetry immaculately. Now utilizing his talents as a composer, producer, and recording engineer, Rob has led the group to innovative musical frontiers. His guitar, sax, and banjo solos all reach out and grab every listener. Dick Lalley, also a multi-instrumentalist, has joined in to produce an excellent sound platform to transform poetic lines, personalities, and tones. His beats and drum arrangements, and occasional key tickling also serve a meaningful meal to the ear, heart, and soul. Dan Pompei lays down cool percussive grooves providing

poetry's motion lotion. Bill Todd's got the juicy layer from the bottom end up on the keys, stroking some sweet solos. What others say... Wendies Words can bring you far away from your world and close to her word. Wendies Words is a fine example of beauty and sadness, and a much needed enlightenment to a public dying for realness and quality. Scott Stamper Co-Owner/Booking The Saint and Co-founder Annual Asbury Music Awards Wendies Words and the Wunderboys lay down the avenue for the ultimate mix of poetry and music says Gary Wien from Upstage Magazine. Gary is an Asbury Park historian, author, editor, and internet radio host. Wendies Words Performing Poetry in Motion with Music 2002 A nationwide solo open mic tour including Denver, Anchorage, Nashville, New Orleans, NYC, Asbury and NJ. 2003 During Jazz Fest 2003 in New Orleans, Wendie recorded a track at Noise Lab Studios for New Orleans artist Sick. She also performed two Saturday night shows at CDs Saloon in the French Quarter with local favorite Brad Helms. During the last set of the final Saturday show, Wendie and Brad were accompanied by Martin Fierro (Grateful Dead Fall 1973/Merl Saunders/Zero/and many more) on saxophone! She then squeezed in a guest performance at Robert DeNiros Blue Nile with The Frank Zappatas, a jazz/free verse band. 2004 In November of 2004, Wendies Words and the Wunderboys were fortunate to play with bassist Todd Lanka. Todd joined Wendies Words for a one-night performance in Red Bank, NJ. This performance was captured on video and led to the production and release of a Live DVD entitled Wendies Words and the Wunderboys Live at the Internet Caf. Other recorded works: Available through the band ONLY. 2003 Wendie Wells Acapella Tracks Wendies Words and the Wunderboys Wunder? (3-song demo) 2004 Wendies Words and the Wunderboys Wunder!
