A smooth Jazz Guitar style that comes from the heart plus vocals that lets you know that this artist has got soul. 12 MP3 Songs JAZZ: Smooth Jazz, JAZZ: World Fusion Details: Now if you like Funky Jazz flavors and R&B this is one CD you should have. Wesley has over 30 years of guitar playing and singing and now he has put together a CD that will make you pop your fingers pat your feet and move your body to the beat. This brother has paid his dues and then some playing clubs across the USA and Europe now Wes has joined forces with some of the best musicians around including from the Bay Area Jamie Hawkins of the famous Hawkins family adds some of his soulful fingers on the piano and organ also on drums a man that has played with the Hawkins Singers Kevin "Chi-town" Edwards then we add the band leader Michael G. James on alto and soprano sax plus vibes then we add the jazz piano style of Sudi Ali all from the Bay Area. Now we are going down to Georgia to Haywood's Studio in Atlanta and pick up a former James Brown drummer so you know he has got to be FUNKY Tony Cook. Now since we are in the South we will swing by Wesley's Hometown of Louisville,Ky and grab the brothers Keith and Kerry Coleman on bongos, congas and percussion then Todd Hildreth on piano and organ plus Maurice "3piece" Williams in the mix then you can "COME GROOVE WITH ME"...
