For better, for worse...After nine years of marriage, Erica McCrery fears she's losing her husband. After Kyle's father died and the couple left their affluent lifestyle in Florida to take over the family business in Wisconsin, there has been a tension between them. The nights are as passion-filled as ever, but in the light of day, their relationship no longer seems to work. For richer, for poorer...Kyle works long hours, keeps Erica in the dark about financial matters and doesn't seem to believe that she actually enjoys helping out in the woodworking shop. Erica is desperate to spend some time alone with her husband so they can work through their problems, but the situation becomes even more complicated when an old friend, notorious playboy Morgan Shane, invites himself for an extended visit...56,000 words Previously published.
