All Worked Up Eve Vaughn Landon should be happy. He has looks, money and co-owns the hottest gym in town. But he's missing someone to share his success with. Tired of the dating scene and shallow women, Landon has all but given up his search for love, that is until Gloria Sanders, a voluptuous beauty from his past, walks into his gym. When they knew each other before, too many obstacles stood in their way. Now circumstances have changed and nothing will stop him from claiming her as his. Gloria, determined to move on after her divorce, decides to take private fitness lessons. When she meets her hunky personal trainer she's surprised to learn they already knew each other. What's more, he's had a crush on her for years. Gloria finds herself attracted to this sexier version of the Landon she once knew but old insecurities prevent her from acting on those feelings. When these two get all worked up their passion for each other will burn like nothing else and they'll discover what they've both been missing-love.
