You're getting divorced. You want out or he wants out, but either way you're tempted to bend over backward just to get it over with. The result: You get screwed. How screwed? Consider this: the average woman experiences a 45 percent drop in her standard of living after divorce; 45 percent of children living with a divorced mother live at or near the poverty line; only about 45 percent of custodial parents due child support payments receive the full amount. In Hit Him Where It Hurts, acclaimed matrimonial attorney Sherri Donovan shows you how to take the offensive in the bloody game we call divorce. With her take-no-prisoners approach, you can ensure that you will gain your freedom without sacrificing your health, your wealth, or your well-being--or that of your children.
