

How To Start Your Own Local Sms Business - Videos

[DOWNLOAD HERE](#)

Owners are experiencing response rates upwards of 30 and at times 50 over standard old email marketing! This was unheard of before text message (SMS) marketing. By the time you or a business owner pays the huge monthly and text message fees, theres not much left for a consultant to make money. Until now... 7 Videos Included In This Power Packed Series! All you need is a hosting account that supports PHP5 and MySQL. Any hosting company that does not a least provide you with latest versions needs to be dropped anyway, fast and like a brick... Advantages of this system: * You are in control of your list. You have access to all the numbers of yours or the business owners subscribers * Create large customer opt-in lists for local business clients * Use for lead generation just like the standard old email marketing * You pay only \$1 per month for each long-code (telephone number) and only \$0.02 per outgoing text message * Pay as you go, no large monthly fees and no long-term contracts * Set up as many websites as you want, totally unlimited * Create multiple users per website if desired, allowing your clients to log in any time they want to send messages * Hide the list settings from clients if you want to maintain them yourself and charge a consulting fee * Clients are billed separately for their usage *

Unlimited keywords * No competing for keywords since you are the only owner/user of each long-code
