Insider Secrets of Online Currency Trading Welcome to Insider Secrets of Online Currency Trading. I want to take the opportunity to describe the format and purpose of this course. This ebook will be the most valuable resource that you will ever have for Forex trading. This ezine was created for all levels of Forex investors. Knowledge is the most essential component of your success with online currency trading. Insider Secrets of Online Currency Trading will supply you with the information that is crucial to succeed with Forex investing. You will also learn insider secrets that nobody else is divulging. The purpose of this publication is to expose little known secrets of Forex trading that can be implemented for free to predict foreign currency price trends. Even if you are completely new to the Forex you probably know that there is a lot of information out there. If you wait until you know everything about the Forex to get started, you will never get started. Over the next 5 lessons you will receive brief summaries about the basic concepts of Forex trading. These lessons are designed to teach you the basic concepts of how the Forex works. The next 5 lessons are only the beginning. You will also be able to plug in to the most

comprehensive Forex knowledge base online for free (more details about that later)! I own and operate several Forex trading websites. The most prominent and well known website that I run is 4xtrend.com. Insider Secrets of Online Currency Trading has the basic content that I would like all of my trading proteges to know! You will also learn how to add new tricks to your Forex bag of tricks. We will discuss different topics that will enhance your trading style, regardless of experience level. I have decided to publish this course personally because I received many emails asking me to write down my knowledge of the Forex in a few easy to follow lessons. By making myself accountable to the readers of Insider Secrets of Online Currency Trading, I am staying in touch with the Forex issues that I want to know about anyway. What you get out of this course is primarily up to you. I have already benefited by putting this resource together. I welcome and encourage any questions or input you have about the Forex. Please send all questions to questions@4xtrend.com; please mark the message line of the email course question. If you are an absolute beginner to Forex trading I ask that you wait until after you read the entire Insider Secrets of Online Currency Trading course before you ask any questions. I have included material in these first 5 lessons that will answer the majority of your questions. If there is anything I can do to ensure your Forex success, please let me know. I will try to answer all questions in a reasonable amount of time. All questions will be answered on a first-asked, first-answered basis. I would love to hear any suggestions on how to improve this course, or any topics that interest you as a trader.
