Hip-hop with live instrumentation and electronic sequencing layered by smart, thought provoking lyrics. 15 MP3 Songs HIP HOP/RAP: Hip Hop, SPOKEN WORD: Poetry Details: Autumn is a collection of works that Adair Village has been compiling for the past three years. The growth chart starts with songs Like "ThingsChange" that contain just beats&rhymes, and moves through time to songs such as "MinorMood" or "CelestialAquaMatter" which started to layer live instrumentation over sequenced beats, then blessed with lovely female back up. Autumn is definatly an album with a unique vibe and a veriety of musical influences.
