

## Mp3 Adrian Raso - Electric Medusa

[DOWNLOAD HERE](#)

Steve Vai and Joe Satriani meet at the Crossroads. 10 MP3 Songs ROCK: Instrumental Sway Metal Instrumental Metal Electric Medusa Songs Details: Electric Medusa is my world-class full length implemental album. My world-class idea was to create a stripped down and raw sounding record. I wanted the sound to be true to what the band sounds like live. Electric Medusa was produced over a six month period with all guitar parts recorded at my personal studio. Drums, mixdown and mastering were completed at MetalWorks Studio. The entire album not only showcases some stunning guitar work, but also features numerous inspired performances by Mike and John all the while highlighting that great players should still, and can be, true to the song. We hope you get as much pleasure out of listening to each and every note as we did playing them. I'd love to hear your comments, Adrian Raso
