Details: Singer/songwriter Andr Nobels, Emergent folk for emergent minds, songs for the heart and soul. The emergent quality of the present moment is what drives me. How can I open myself up to the sound I have yet to hear and bring into creation? I find myself constantly at that precipice, reaching back into my own growth and experience and coming forth with a fresh expression through song, melody and passionate connection. Now as Into Nothing is being released, I find the same exhilaration and challenge in bringing it fresh and pure to your hearts and ears. My goal is to re-connect to the sacred through my art; singing to that from which it originates. Songs as ceremony, a celebration of the moment! Bring your own seatbelt!
