Details: Folk/Rock musician Andy B White weaves guitar lines, vocal melodies and harmonies, and orchestrated strings on his Dirty Wings ep to create the sound of a few musicians sitting in your living room, picking up instruments, and performing a private acoustic concert just for you. Whites vocals are heartfelt and emotive, lyrically pulling feelings from some of lifes trying times and working through them inside his song structure. You can definitely feel his background of rock/pop music coming through in his songs Snow and Lies and Wishing Stone, while exploring his new passion for folk music in the tracks Hazel and This Is Your Place. This EP is Whites first solo project (he previously released two albums with the band Favorite), and with these four songs, will leave you asking for a full-length solo album.
