

## Mp3 Anton Bach - Liquid Sun

[DOWNLOAD HERE](#)

Pop-Rock/Easy Listening with Folk, Jazz and Pop-Classical influences; excellent songcraft. 16 MP3 Songs POP: Piano, FOLK: Power-folk Details: Liquid Sun marks the debut CD for Chicago recording artist Anton Bach. The album is marked by well crafted melodies, strong lyrics and themes, and an all-round in general positive vibe. Par for the course for a piano-vocalist who's been singing since his childhood, co-arranging vocal harmonies in a 4 and 5 part European folk-ethnic ensemble, later picking up drums (and handling backup vox arrangement duty for a Motown/Soul/Rhythm Blues cover band), and ultimately finding his way to the forefront as piano and keyboard player, and composer/lyricist. That "positive" dimension is one that uniquely marks his material--it's a conscious effort to contribute something to a time and a world where that element is becoming increasingly more valued, and worthwhile...
