Driving, Rockin' Blues 6 MP3 Songs BLUES: Rockin' Blues, BLUES: Guitar Blues Details: B Street Blues has been playing the Southern New Hampshire, greater Boston metro area since the summer of 2003. They have been asked repeatedly for a B Street Blues CD. Finally, after a multi-year wait and much demand, here is their much requested debut effort. B Street Blues Live was recorded in a single, day long session on February 26, 2005 on Bennet Street in Woburn, MA at their rehearsal location. Microphones were placed to record each of the instruments and vocals. B Street Blues performed each of the songs completely "live", including the vocals. This initial offering includes six songs: three original B Street Blues songs: Invertebrate Blues by Norm T, Valentine's Day and Turn it Around by Ken Budka, and three tunes written by other artists: John Lee Hooker's Boom Boom, Buddy Guy's Man of Many Words, and Sick and Tired by C. Kenner and D. Bartholomew. The sizzling guitar work and cutting edge vocals blends to form a cohesive four piece power blues machine that exudes excitement and energy. If power blues is your thing, B Street Blues Live is sure to please.
