

Mp3 Camille Mccausland - Musical Notebooks Sampler

Vol. 1

[DOWNLOAD HERE](#)

Educational Music. Fun, quality music that helps kids learn things like math, geography, social studies, etc. Kids learn while they sing along with songs they enjoy. 12 MP3 Songs in this album (27:23) ! Related styles: KIDS/FAMILY: General Children's Music, REGGAE: Calypso People who are interested in Janice Kapp Perry should consider this download. Details: Musical Notebooks is a wonderful product to HELP KIDS LEARN subjects in an easy and fun way. Kids sing these educational songs and LEARN FACTS without even knowing they are learning. The songs are easy to learn and each has a different style so the kids (and parents) don't get tired of hearing them. The lyrics are included with the album for easy reading and an optional instruction book is available from the publisher that has pages that give the words and pictures explaining the concepts of each song, dry erase write on pages, and a Resource section with games, activities and further resources to enrich the childrens learning in each subject. 12 SONGS INCLUDED *** The titles and topics are as follows:(all included on one CD or tape) *** Music of the Spheres - Planets in our Solar System*** 50 States - States of the United States from east to west*** My Happy Year - Number of days and order of the months*** B-B-B-Bones - the Bones of the Body (kids radio stations play this one a lot)*** Central America - Countries of Central America*** So I Hear - Parts of the Ear How it Works*** "Tree" Branches of Government - Structure and Functions of the Branches of the U.S. Government*** Prime Time - the Prime Numbers from 2 - 101*** Stopping by Woods -Setting of Famous Robert Frost Poem (my personal favorite - it's beautiful)*** South America - Countries of South America*** A Round of Days - the Days of the Week*** Right on the Money - Values of U.S. and Canadian Coins ***
