The resulting recordings from Camden Chamberlain's 2 month 2002 stint in London with emerging British songwriter Tim Phillips, aka CATHEAD. Recommended if you like: The Flaming Lips, Pink Floyd, The Beatles, etc. 12 MP3 Songs POP: Psychedelic Pop, ROCK: Adult Alternative Pop/Rock Details: Cavedoll is busy. In 2008, Cavedoll is releasing no less than 10 albums, consisting of a huge array of new material as well as their re-mixed, re-mastered, and re-packaged back catalogue; an eclectic assortment of styles and sounds. Their flagship album, "No Vertigo", consists of 14 of their best indie-pop gems, drawing on influences as diverse as 60's Pop, Electronica, 80's Alternative, and Modern Indie-Rock. Cavedolls production and vocal team of Camden and Vanessa Chamberlain adds a rich layer of harmony and impeccable style to each of the highly textural tracks, while their seasoned rhythm section of Janet Marie and Jamison Wilkins keep the beats driving along like a finely tuned muscle car. Rounding out the group is Allison Martin, providing lush and tasteful keys. Deciding to embrace the digital age of music-listening, Cavedoll is also releasing a DATA DVD which contains Cavedoll's entire song catalogue in MP3 format (175+ songs) as well as album artwork, photos, and the digital video collages which accompany Cavedoll's exciting and unique live performances. Cavedoll will be spending 2008 touring the western United States as well writing and recording new material in their Salt Lake City based recording studio. Check myspace.com/cavedollband for regular updates on tour dates, new material, and more. Recommended for fans of: The Rapture, Interpol, Radiohead, The Cure People who are interested in Pink Floyd The Beatles The Flaming Lips should consider this download.
