

## Mp3 Celtish - Centrifusion

[DOWNLOAD HERE](#)

Contemporary folk music. Haunting and emotive songs and lively driving tunes from all over the British Isles and beyond. 10 MP3 Songs FOLK: Modern Folk, FOLK: Contemporary Celtic Show all album songs: Centrifusion Songs Details: With multi-faceted vocals glittering between an array of complementary instruments, Celtish have continued to appeal to wide ranging audiences across the UK and Europe. Chosen from thousands to represent the talent and beauty of folk music as part of the COPAS live event at the Royal Albert Hall, playing at numerous festivals, art centres and theatres, a tour of Holland with Lunasa and even Ronan Keating at a packed out NEC! Celtish have continued to deliver an explosive mixture of celtic music, intermixing jigs, reels and tunes whilst spiced with an emotive and hauntingly beautiful vocal. This dynamic band of individuals will not fail to deliver, wherever your tastes may lie. Such are their talents, that one is enthralled with the rich blend of emotive songs, and enigmatic tunes. Here is a group of passionate artists who clearly cherish their music, use their instruments to their fullest potential, and generously give of themselves and their talents to their audience. Whilst Gwyneth Keens hauntingly emotive vocals enthrall the listener and the fiddle is passionately played by the hugely talented Sin Phillips, the beautiful playing of John Harris on Harp and Mandolin and the critically acclaimed playing of Gordon Taylor on guitar and Mandola underpin and bind it all together. Add then the extraordinary talents of one of the finest young flute players to emerge, Imogen O'Rourke, and you have a pan-Celtic band that will satiate a variety of appetites. An eclectic fusion of styles and traditions BBC Music Live
