Stripped-down acoustic/electric indie rock and folk from Dayton, Ohio 5 MP3 Songs ROCK: Modern Rock, ROCK: Acoustic Details: Dishwater Psychics stripped down their sound to reveal the layers of guitar, bass, and drums that were previously obscured by drifting clouds of tape hiss and broken glass. Recorded at home in Dayton, Ohio and Denver, Colorado, "The Signal Will Fade" EP is a concise, organic collection of rock songs. Drummer Michael Behrenhausen (Maraca 5-0, Blusom) adds a punch and tingle that carries the other instruments above sea level for the first time. Layered, half-conscious vocals tie it all together, wondering if it will fall apart at any moment. John Wenzel- guitar, vocals Chris Jones- bass Dan Miller- guitar, keys Mike Behrenhausen- drums \*\* LIMITED COPIES LEFT \*\*
