Soul/R&B 11 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Soul Details: A versatile producer, musician, and prolific composer, Jamez has been primarily sought-after for TV, film, radio, and studio work. Part of his library includes the Pro Sessions 'Dope Beatz' made for music-creation software such as Reason, Live, and ProTools. After graduation from Berklee in 2000, Jamez created a production network and ProTools based studio in Los Angeles where he quickly began recording artists and writing daily. On this self-produced collection, soul and R&B gain a new electric groove as they get smoothed out.
