At that time, he attended Kelsey Avenue Middle School in Griffin, Georgia as a seventh grader. It was there he realized he had been given a gift and a talent for music. He began singing at different school events and soon became known around the city for his vocal talent and musical ability. By the twelfth grade, he decided to accept his calling as a music minister and worship leader. In February 2004, Jonathan began attending Harvest Temple Church, also located in Griffin. At that particular time, the church was looking for a youth worship leader for services on Wednesday nights. This is where it all started. At first, he performed at a lot of local events and churches and the word began to spread. He then began to book dates and perform at many events across the state. Now you will find the him and his band touring the country, leading people in worship and leading people to Christ through his ministry. He always leaves his listeners with a spirit of joy, hope, and encouragement to carry with them in their daily lives. He always emphasizes the message, I can do all things through Christ who strengthens me Phil 4:13. No matter how big your problems, no matter what your circumstances may be, always know that I can do ALL things through Christ who strengthens me. Our goal is to lead people into the very presence of GOD through music and worship so that we all, under any circumstance, may overcome any obstacle that will come in our way - Jonathan Phillips
