Americana, swampy blues with a touch of twang, male and female lead vocals 13 MP3 Songs ROCK: Americana, ROCK: Roots Rock Details: Swampabilly Snake Oil Freakshow Critic's Quotes "This musically colorful concoction offers many joys to the listener - tight vocal arrangements, excellent production, and JJ's trademark warped sense of humor..." WBS Bluesletter, March 2001 by John-Allen Briscoe "A band with a personality all their own, even when they're playing at every genre. If you are a freak - rejoice, these are your people..." Victory Music Review, December 2001 by Leah Hinchcliff "Swampabilly Snake Oil Freakshow is tight, smart, funky, funny and all over the map musically...a steaming plate of corn fed swinging jug band blues." CBA Blues Notes, June 2001 by Kurt Dahlke "13 original tunes spanning styles from swamp funk to country rock to rock n' roll to nearly indescribable hybrids between circus music and blues...layers of fun." Blue Suede News, Fall 2001 by Marc Bristol "Junkyard Jane's idea of a good time is evident...the album features engaging songs and an infectious sense of fun." The News Tribune, February 2001 by Rick Nelson
