Related styles: EASY LISTENING: Love Songs, EASY LISTENING: Mood Music Details: For a woman suffering from breast cancer, music brings peace, spirituality and healing. The Gloria Gemma Breast Cancer Resource Foundation, together with singer Kelley Lennon, has developed two contemporary ballads to recognize those who have been diagnosed with cancer and those who have lost loved ones to this horrific disease. Hope Is Alive is a very inspirational song written for women affected by cancer. This upbeat ballad speaks about survivorship and the importance of having the strength, courage, and determination to beat this disease. Just Beyond Our Reach was written and produced to remember those who lost loved ones from cancer. This very moving song is dedicated to those who lost their battle to cancer.
